

How Energy Efficiency is Making Intelligent Lights even more Intelligent

Seminar hosted by Philips / Vari*Lite

Thursday, August 25th

Seminar starts at 1:00pm

Leonard Miller, VL's Regional Sales Manager for the Central US, will lead a discussion on color theory, power consumption, output and payback on investment. Plus Leonard will analyze the current and future state of the LED and lamp markets.

After the discussion, see a demo of the latest Vari*Lite products and gain valuable hands on time with many of the Vari-Lite products.

The [VLX Wash](#) gives you all the benefits of LED technology and the best visual performance characteristics of a tungsten source. VLX offers stunning colors and intensity, multi-year source life and high reliability. Combined with

*low energy consumption and maintenance costs, the VARI*LITE VLX Wash luminaire resets the bar for other LED fixtures.*

Based on the award-winning VLX Wash luminaire technology, the [VLX3 Wash](#) offers stunning colors and intensity, multi-year source life and high reliability using three powerful LED engines
